The Charge

"To you, Sons of Confederate Veterans, we will commit the vindication of the cause for which we fought. To your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles which he loved and which you love also, and those ideals which made him glorious and which you also cherish.

Given at New Orleans, LA in a speech on April 25, 1906 to the SCV National Convention by Lt. Gen. Stephen D Lee.

From the Commander's Desk

By: Camp Commander Don Green
Greetings Compatriots,

I hope you and your families are staying safe and healthy though this madness known as the Corona Virus. April is upon us which means we are celebrating Confederate History Month in the state of Mississippi. There are still a few days left if you need to honor your ancestor in some way. The events we normally participate in have all been cancelled or postponed practically through the summer. This is very different for those of us who attend events regularly such as living histories, reenactments and things at historic sites. But we are taking this COVID-19 situation (sorry we are not calling it a pandemic like the biased liberal news sources) serious and abiding by the laws set forth deemed for safety. With that said, The Division Reunion has been moved to August 21-23, 2020 still set to take place in Vicksburg. The host Camp is asking to go ahead and pre-register now in order to secure a Convention medal. Keep in mind, if you are staying overnight, you will want to secure a hotel near the Convention Center downtown. In addition, the CSS Arkansas Memorial at Soldier's Rest in Vicksburg has been moved to that Sunday August 23rd to coincide with the Division Reunion. There are a number of fine bed and breakfasts as well. As far as our Camp Meetings go, we will not meet in April as you know since our meeting date has already passed. May is up in the air which hinges on how this madness shapes up as far as our ability to move forward with our lives. We will let you know as soon as we can with regards to future meetings.

MISSISSIPPI DIVISION REUNION RESCHEDULED

The Mississippi Division Executive Committee has decided to reschedule the Mississippi Division Reunion to the weekend of August 21-23. If you haven't pre-registered please go ahead and do so as soon as you can. The agenda for the Reunion will remain the same and it will still be held at the Vicksburg Convention Center. The only change is in the Memorial Service to be held on Sunday morning, August 23. This will be the memorial service for the dedication of the Arkansas markers (formerly scheduled for May 3rd), remembering the servicemen who died while on the CSS Arkansas.

If you have already made a hotel reservation, the only thing that you need to do is have your reservation moved from the weekend of June 5-7 to August 21-23. The hotels have extended their group rates to July 15 for those who have not yet made reservations. Please go to our Camp website for updated Registration forms (<http://scv-camp-1354.com>). We are encouraging pre-registration and Ancestor Memorials. Every SCV member has at least one Ancestor through whom they are in the organization. What better way to honor your Ancestor than to put a Memorial to him in the Program.

Hope to see you all in August.

Fort Sumter to Appomattix

On Day 27 of Confederate Heritage Month

A lot is discussed about Fort Sumter in the Charleston Harbor on April 12, 1861. For me this says it all. A foreign government (United States of America) was holding a fort (military presence) with in the boundary of a sovereign country (Confederate States of America) . This facility was situated with the potential to block commerce into the sovereign country (C. S. A.) and could have been used to collect tribute in the guise of tariffs to their foreign country (USA) from the incoming commerce as promised by Lincoln's inauguration address. The foreign government (USA) would not turn over the facility to the sovereign country in which it was situated. and turned down an offer to "sell" the property. Instead they launched a fleet to reinforce the fort, an act of war.
